PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience in full-stack development and Appliciation based projects. Skilled in React-Native, React.js,TypeScript,Node.js, JavaScript, and Python. Proven ability to build pixel perfect Application, responsive websites, API integration (RESTful), and support users in software related issues. Passionate about creating efficient, secure, and scalable solutions.

EDUCATION

B.Sc. in Computer Science in Jimma unversity
GPA: 3.6
Passed National Exit Exam

TECHNICAL SKILLS

- Front-End: HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, React Native, Tailwind CSS
- Back-End: Node.js, Express.js
- Databases: MongoDB, MySQL
- Concepts: Responsive Design, UI/UX, Debugging, Cross-Browser Compatibility
- Version Control: Git, GitHub, Visual Studio Code, Figma, Chrome DevTools
- IT Tools: Microsoft Office Suite, Windows OS, Networking fundamentals
- Soft Skills: Teamwork, Communication, Problem Solving, Time Management

EXPERIENCE

- Debbal Software Development P.L.C: 6-Month Internship
  Contributed to the development of an AI-based language translation model using TensorFlow and Python.
- Web Development Internship – Prodigy InfoTech: 1 Month (Online) | React, Vite, Tailwind CSS
  Built responsive and interactive apps, including a landing page, weather app (API-based), stopwatch, and Tic Tac
- Software Developer – [EagleLion System Technology]: 6 Months
  Developed a fintech application: DashenSuper App
  Worked on front-end development, ensuring usability and smooth functionality
- Remote Project – Private Client: Zumbara (Electronics Selling Application)
  Developed a full-stack application for an electronics-selling platform

HACKATHONS & PROJECTS

- Capstone Project – StudyNest Library System - Developed a full-stack library management system using React, Node.js, React-native and MongoDB, including user login, search features, and book tracking. Recognized by the University Library Director for delivering a complete and user-friendly platform.
- Snap & Shop – 1st place at a startup-focused hackathon
- Azmera Trade App – Developed during a 72-hour coding marathon
- ·AI-Powered Delivery App – Proposed smart delivery using AI for logistics

CERTIFICATES

- Certificate of Completion – Debbal Technologies
- Certificate of Appreciation – Rotaract Club (as Project Officer)
- Volunteer Certificate – Great Ethiopian Run
- Web Development Internship (1 month) – Prodigy InfoTech (Online) - React, Vite, Tailwind CSS)
- Recognition Certificate – University Library Director (for Capstone Project)
- Diploma in PC Training – EBS Computer Training Center (Certificate of Successful Completion)

VOLUNTEERING

- Project Officer – Rotaract Club of Haleta (1 Year)
  Coordinated and led events including Buhe Festival and charity drives.
- Volunteer – Great Ethiopian Run, Jimma
  Supported event setup, registration, and team coordination.

LANGUAGES

- Amharic – Native
- English – Proficient
- Afaan Oromo – fluent

To Whom It May Concern,

It is with great pleasure and confidence that I write this letter of recommendation for **HaileMichael Eshetu Tefera**, a 2024/25 Computer Science graduate. I had the privilege of teaching HaileMichael in the course Microprocessor and Assembly Language Programming during the first semester of the 2023/24 academic year, and also served as his **Department Head** throughout his undergraduate studies.

During his time at Jimma University, HaileMichael consistently demonstrated **exceptional programming skills**, not only in low-level programming with microprocessors and assembly language, but also in **high-level languages** such as **PHP, JavaScript, Python, Java, and C++**. His ability to apply theoretical knowledge to practical problems, write optimized and clean code, and understand system-level operations was highly commendable. He approaches programming challenges with **analytical precision, creativity, and a structured mindset**. HaileMichael is also highly skilled in **technical report writing and documentation**. His lab reports and project write-ups were always well-organized, clear, and thorough—demonstrating deep subject knowledge and strong communication skills. His ability to convey complex ideas effectively is a strength that will serve him well in both research and professional environments.

Furthermore, HaileMichael has consistently displayed **strong interpersonal skills**, **collaborative spirit**, and **leadership potential**. He is respectful, supportive of his peers, and active in academic discussions and team projects. His sociability and professionalism made him a well-liked and highly respected member of the department. What truly distinguishes HaileMichael is his **intellectual curiosity**, **adaptability to new technologies**, and **dedication to continuous learning**. He is not only capable but also motivated—a rare combination that makes him an outstanding candidate for any graduate-level program or industry position.

I wholeheartedly recommend **HaileMichael Eshetu Tefera** for any academic or professional opportunity he chooses to pursue. I am confident that he will bring excellence, integrity, and innovation wherever he goes.

Please feel free to contact me at bekan.mekonen@ju.edu.et should you require any further information.

Letter of Recommendation for Mr. Hailemichael Eshetu

To Whom It May Concern

I am pleased to wholeheartedly recommend Mr. Hailemichael Eshetu for any academic or professional opportunity he pursues. Having had the privilege of teaching and mentoring him during my tenure as a lecturer at Jimma University's Faculty of Computing and Informatics, I can confidently attest to his outstanding abilities, dedication, and intellectual curiosity.

I taught Mr. Hailemichael **Web Programming** and **Computer Vision and Image Processing** across multiple academic years. Throughout this time, he distinguished himself as an engaged, proactive, and highly motivated student. His enthusiasm for learning was evident in his active participation in class discussions, insightful questions, and eagerness to explore complex topics beyond the curriculum.

Beyond the classroom, I had the opportunity to supervise him in various projects, including hackathons organized by the **JIT Incubation Center** and **AI Center** with Azmera trading and Snap Shop projects. Notably, as part of the Snap Shop team, he contributed to their success as *1st Runner-Up*, demonstrating not only technical proficiency but also strong teamwork, problem-solving, and leadership skills. His ability to grasp advanced concepts and apply them to real-world challenges was consistently impressive.

Mr. Hailemichael possesses a rare combination of intellectual independence, creativity, and collaborative spirit. His commitment to excellence, coupled with his strong communication skills and initiative, makes him a valuable asset in any academic or professional setting. I have no doubt that he will continue to make meaningful contributions wherever his career takes him.

Please feel free to contact me at fideno.worku@ju.edu.et if you require any further information or clarification regarding my recommendation.

Sincerely, Mamo Fideno

EBS COMPUTER TRAINING

PC-DIPLOMA

In honor of your Outstanding Performance and Dedication we gladly Present to this Award to Certify that

H/MIKHAEL ESHETU TEFERA

Has successfully completed the required training in *COMPUTER APPLICATIONS*

Ms-Office 2007 course for: -Ms-Windows, Ms-Word 2007,Ms-Excel 2007,Ms-Access 2007 Ms-PowerPoint 2007, Ms-Publisher 2007

From JUNE 01/2022 to SEPTEMBER 01/2022

Awarded on 10/10/2022

Instructor

Training directors

Debbal Technologies

Certificate of Completion

This certificate is proudly presented to:

HAILE MICHAEL ESHETU

in recognition of successfully completing 6 Months internship at Debbal Software Development P.L.C.

H/Michael demonstrated exceptional dedication, growth, and teamwork, contributing valuable skills in software development..

Awarded on: September 30,2024

Certificate of Recognition

THE FOLLOWING AWARD IS GIVEN TO

Hailemichael Eshetu

This letter is to formally recognize and appreciate Hailemichael for the successful development of a digital platform titled "የጥናት ጎጆ | StudyNest".
The platform demonstrates outstanding creativity, technical skill, and a strong commitment to enhancing student learning and academic collaboration. It is a commendable contribution to the digital learning ecosystem, especially within the context of Ethiopian higher education.
We extend our sincere appreciation for this impactful innovation and encourage him to continue striving for excellence in the field of technology and education.
